

Calendar **Happy Halloween**

President's Message

The Autumnal Equinox was on Sunday 22, 2013 and with that event comes cooler temperatures and less humidity, hopefully. Also with the start of fall, we have fall colors to think about and consider painting with. The earth colors and their complimentary colors are ideal for practicing as the blue-violet is complimentary or a near complimentary color to the earth colors and warm grays.

Monochromatic paintings are well suited for this style of painting as you have the opportunity to practice mixing a color with it's opposite color, working with value (most important) and still have a monochromatic painting. The image I have included for this months newsletter is an example of such a painting.

Remember to paint for yourself and try to capture feeling.

MWS still has a couple of positions that need to be filled so please, consider contributing your time and talents.

Happy painting and read the monthly newsletter, it's full of valuable information.

Lionel Sanchez
MWS President

Pigeon Key Paint out /Field Trip –Sign up at the Meeting

If you didn't hear last month, this is exciting news. The Miami Watercolor Society is partnering with the Florida Keys Watercolor Society for a Paint out/ Field Trip, February 5th 2014. We are planning it in advance to make sure every one who

wants to participate has enough time to arrange their schedule. Plan on leaving early and car pooling. There will be a max of 22 spots for this paint out due to the limited boat trips back and forth from Marathon. Participants should plan to bring their own lunch. We will need to arrive at the launch site at 10 am and leave the island by 4 pm. Be sure to sign up at the October Meeting because space is limited. Contact Terry Mulrooney if you have questions, 305-479-3448.

Meeting Updates/ Demos

Sept Demo – Jedda Wong

Jedda Wong, MWS member, is a talented traditional watercolorist. At her Demo Sunday she produced a vibrant water media painting on rice paper and made it look easy.

It was very intriguing watching her paint the wax on the rice paper and then paint other areas where there was no wax.

Oct Meeting : Demo – Frank Francese

Frank brings a fresh style to MWS this month. His liquid style is unique and distinctive. Frank enjoys working on a very wet surface, letting the pure vibrant color mix itself on the paper. His shapes are large and loose, often disregarding any fine detail. Frank uses abrupt color changes

of the same value with the white of the watercolor paper to bring his paintings to life. His subject matter for watercolors is always varied, reflecting his national and international travels, as well as local western Colorado scenes. Don't miss the demo Sunday Oct 13.

Marilyn will Travel with FWS

Marilyn Valiente's painting "Spiritual Journey" was selected to be in the FWS traveling show. After the FWS Exhibition ends, the painting will travel to the Appleton Museum Ocala and hang there until January 19, 2014. Great Job Marilyn!

Congrats Kathryn

Kathryn Ford's painting, "Purple Ladies" was displayed at the FWS booth along with the other winners of this year's Online show for FWS. It sure looked great too!
