

Paul Jackson- Watercolorist:

A prolific artist and ambitious world traveler, Paul Jackson is one of today's most versatile and visible contemporary watercolorists. Whether his subject is landscape, cityscape, portrait, architecture, still life or abstract, Paul captivates his audience with genuine emotion, intensity and finesse that energize each of his creations.

Jackson is the author of *Painting Spectacular Light Effects in Watercolor*, from North Light Books and *The Wandering Watercolorist*, from Chameleon Press 2013.

Honored by the American Watercolor Society with signature membership at the age of 30, Paul is also a Signature member of the National Watercolor Society and an Honor Member of the Missouri Watercolor Society.

4 – Day Workshop Description

As the sun slips below the horizon and the electric lights begin to illuminate the shadows, dramatic lighting conditions occurs all around. Darkness and the edges of night are a playground for painters with an adventurous spirit. Paul invites you to join him in exploring the night in watercolor! He will demonstrate painting a dramatic scene with night lighting as he guides you through, illustrating the principles of design, color, value, composition and the mechanics of watercolor. You may choose to follow along and work on the same image, or work from your own collection of images.
